

Classroom Assistant Employment Academy

Are you interested in a career as a Classroom Assistant?

Starting March 2023, Mid and East Antrim Borough Council is offering the opportunity to complete an intensive one week Classroom Assistant Academy with support to apply for live, local vacancies.

What are the benefits for you?

- A chance to improve employability.
- Guaranteed interviews with local employers.
- An introduction to the sector and an insight into the range of job roles available.
- Access to a range of personal development training including communication and teamwork.
- One to one mentoring support for the duration of the programme.

Who can apply?

The Employment Academy is open to anyone living in the Mid and East Antrim Council area, currently out of work or working less than 16 hours a week. Preference will be given to those who are economically inactive or long-term unemployed.

How to apply

Email your contact details to academy@people-1st.co.uk and a job mentor will be in touch to discuss the next steps to getting you started on your journey into employment.
