

TOREAGH PRIMARY SCHOOL

Home Learning

Another Wednesday in lockdown is upon us. Thank you all for getting in touch with the staff since returning after Christmas. I understand it is difficult to juggle home life, home learning and a job, never mind having to email the teachers. Therefore, I would ask that you try to contact the teachers at least twice each week. This will keep us right and you right with attendance.

It is a difficult time for everyone and I know that home schooling is not easy at all. To be honest, preparing for online learning is not easy either and has its own challenges for us. When completing the online learning, we ask that you complete whatever you can. Everybody's situation and computer access etc is different. We understand that sometimes the work isn't completed fully or it is left until the weekend. We can only do our best in the circumstances. If you only have a little time, try and do the basics eg. English and Maths. Instead of printing things out, complete the work orally or just do the answers. Whatever works for you. Do the best you can, in the time you have.

You can contact the teachers concerning a home learning issue via email, anything else should be emailed to me lmorrow225@c2kni.net
