

TOREAGH PRIMARY SCHOOL

Child Protection/Safeguarding Team

Designated Teacher: Miss Morrow

Deputy Designated Teacher: Mrs Wells

School Governor: Mrs H Apsley

Our second week back after Easter and what wonderful weather we have had! Hopefully this will continue. The children have been able to get out to play on the grass and it is great to see them having fun.

As restrictions ease over the next few weeks and everyone gets out and about, please keep safe. Covid is still out there and we do not want to see a rise in transmission and infection rates. I really appreciate your amazing support and please continue to err on the side of caution. Therefore, if your child is unwell do not send them to school, follow the one-way system in the playground, wear your mask and maintain your social distance.

Should your child test positive during school hours, please inform Miss Morrow by telephoning the school on 028 2826 0617. Outside of school hours please email Miss Morrow (lmorrow225@c2kni.net).

Digital Safety

It has never been more important for parents to regularly check their children's digital devices and phones. Through internet and social media safety in school, we highlight the dangers of the internet and social media, how it can be misused and how to keep safe. As parents, you have a vital role to play by checking what social media your child is using and what internet sites they are visiting. Don't underestimate your child's ability when using digital devices.

Enrolment

We are updating our enrolment list in light of upcoming budget requirements, so please let me know the names of any children who will be ready for school within the next few years. If you know of anyone interested in sending their child to Toreagh, please ask them to contact us.

Administration

Over the last couple of weeks, we have noticed that some of the contact numbers we have on data forms are no longer in operation. Please inform the school by email of any changes that might affect our correspondence and communication with you (swilson869@c2kni.net).

Summer Sun!

Sun hat – children should bring a sun hat to school to wear on very bright days. The hat **MUST** be named.

Sun cream – This will need to be applied liberally **before** coming to school.

Uniform

As the weather gets warmer children are taking off their sweatshirts in class or during play, therefore it is essential that sweatshirts are named clearly.

Voluntary Donations

Thank you to everyone who has sent in a donation for this term. We really appreciate your support. If you would still like to donate, please send your monetary donation, tissues or wipes to school on Thursday.

Primary 1 – 3 a box of tissues

Primary 4 – 7 a couple of packets of anti – bacterial wipes.

C L Morrow
