It's Friday! We are all looking forward to the weekend, hopefully the weather will be kind to us.

Whilst everything is opening up and life returning to some normality, it is still vital that we remain careful. The number of primary school children and staff with Covid (first or second time), has increased recently.

A reminder that as substitute teachers are few and far between, it may be necessary to go back to online learning at short notice for a period of time. I hope we do not have to do this but feel it is important that you are aware.

Outside of Covid, please remember that "coughs and sneezes spread diseases" so again take this into consideration when sending you child to school.

### **Learning Homework**

We cannot emphasise enough the importance of taking time each evening to do reading, spellings, tables or facts. These are an essential part of your child's learning and can sometimes take a back seat to the written homework. I would encourage you to spend time on the learning part too.

### **Free School Meals**

Please note there will be **no free school meals on Thursday 17<sup>th</sup> March**. Children should bring a packed lunch to school on this day.

### **Friday 18<sup>th</sup> March 2022**

Children should come to school wearing their own clothes, something bright or red would be great. Please ensure the children have a coat and sensible shoes.

We are asking that the children bring in £1 for this charity.
