Child Protection Procedures for Parents

You may also speak to the Deputy Designated Teachers for Child Protection and Safeguarding, Mrs Wells and Mrs Ellison, if Miss Morrow is unavailable.

At any time, you may talk to a social worker at the Social Services Gateway Team on 0300 1234 333 or 028 9504 9999 after 5.00pm each evening and all day at weekends and bank holidays or the PSNI Care Unit on 101, the non-emergency telephone number, where you will be put in contact with a specially trained police officer. In an emergency situation dial 999. Our Designated Governor for Child Protection and Safeguarding is Mrs H Apsley.

Allergy

‘We are a Nut Aware School’

As a school we need your help to keep all our children safe. We have a child in school who has a life threatening allergic reaction to nuts. To keep them as safe as possible, please do not send any food stuffs which contain nuts or traces of nuts eg, cereal bars, Nutella, Kinder Buenos etc.

We would also ask that if your child has any cereal containing nuts or Nutella etc. at breakfast, that you ensure their hands are washed before coming to school.

P6 & P7 should enter through classroom doors opening onto the grass area.

There will be someone in the playground to help in the morning.

Leaving

P1 – P3 parents should come into the school playground to collect their children.

Healthy Break

As break time is short, we have found that one item is enough, eg. an apple, orange etc. In line with DENI and EANI advice, we would encourage you to send a healthy break & lunch with your child(ren). Please remember we are a 'Nut Aware School'.

Water Bottles

Children may bring a drink of water to school in a plastic bottle with a sports top. Please do not send juice or any glass bottles.

Punctuality

It is very important that all children are in school, in their classroom by 9.00am. If children are late, they have missed the initial activities which serve to settle the children and 'get their brains going'. They have also missed the key instructions for the day and the beginning of the first lesson, leaving them at a huge disadvantage. **CHILDREN WHO ARRIVE AFTER 9.00AM WILL BE MARKED AS LATE.**

I fully understand that everyone can be late on occasions, however persistent lateness really does impact on how your child performs and achieves on a daily basis, affecting their overall progress. This also disturbs the class.

School Text Service

We will continue to send out information via our text service. Please ensure you keep your details updated. New families will be added automatically on Monday.

The weekly Newsletter will be put on the website on a Friday afternoon. Please read these as this is our main way of communicating with you. www.toreaghprimaryschool.co.uk

Absences

If your child is absent, you should contact school on the morning of the first day of absence. Please email or telephone Mrs Wilson, swilson869@c2kni.net or 028 2826 0617. We ask that you do not email the teacher, as they will be teaching.

Illness

Please err on the side of caution if your child is ill. Keeping your child off a few days, will help to keep us all safe. If your child has any signs of Covid, they should be off school for 3 full days. Remember children should be clear of vomiting/diarrhoea for 48 hours from their last bout before returning to school.

Medication

If your child requires medication you must complete the medication form and return it to Mrs Wilson (swilson869@c2kni.net) before your child starts back. The AM2 form can be found on the school website in the 'Parents Section' under 'Useful Forms'.

On the first day back send in any required medication which you usually have in school in a named, clear plastic zipped bag. Just a reminder that it is your responsibility to make sure the right medication is in school and in date for your child.

Free School Meals

Meals will be available from Thursday 1st September. Meals will only be available for those children on our list from Education Authority.

Parents who may be entitled to receiving this allowance should apply online via the EA website www.eani.org.uk

Education Authority Meals & Uniform can be contacted via email:

mealsanduniform@eani.org.uk or this is the telephone number which should be used for all enquiries 028 9041 8044.

Please apply if you are entitled, as this will also give our school extra money in our budget.

Contact Details / Family Circumstances

If any of your contact details change it is important to let us know asap. If your family circumstances change or there is anything that would affect your child in school, please let us know so we can keep an extra eye.
