After School Activities P4-7

This year we will be reintroducing some after school activities for P4-7. These will be offered in blocks throughout the year. You will have to sign up for these as numbers are restricted. There will be a small cost of 50p each week which will allow us to purchase and replenish the equipment needed for these activities. It is important that your child only signs up to activities that they are interested in.

Information about the first block of activities and how to sign up, will be given to your child next week.

Parent Helpers

If you might be able to help us eg. trips out during the year, please let Mrs Wilson know and the information regarding how to get police checked will be sent to you.
