Coats

The weather is getting colder, please remember to send a coat for your child.

Public Health Authority Guidance

In school coughs and sneezes spread quickly. Please ensure your child knows how to use their hanky properly and continue to emphasise the importance of hand washing.

If your child has diarrhoea or vomiting, they should not attend school until 48 hours after their last bout.

If your child has flu, they should not attend school until recovered.

For Covid 19, you should follow the latest advice.

Healthy, Happy Minds

Thank you to those who got in touch. All names have been placed on a list/waiting list. On this occasion, preference will be given to those children who did not receive counselling last year.

After school Club

It is great to see lots of children out at netball, football and hockey. Can I ask that children practise changing into their PE gear quickly. Remember only bottoms should be changed. Shin guards MUST be worn for football and hockey. We continue to ask that jewellery is not worn at school.
