Remember to change your clock this weekend!

On Thursday 23rd March, the local fire officers visited P5 children. They talked with the children about fire safety.

Remember all entries should be brought to school on Thursday morning.

Shared Education

Today P6 & P7 children had their last visit to St John's Primary School, Carnlough as part of our Shared Education.

This project has been very worthwhile and through it, Toreagh's partnership with St John's has grown. The project funding has enabled us to travel free of charge and has allowed us to purchase a significant amount of play equipment and Key Stage 2 reading books. All in all, around £10,000 of funding. These are items we could not have bought otherwise. Many thanks to the staff who have organised each activity and to those parents who have helped us. We hope to continue our partnership with St John's, once funding becomes available.

Seamstress Required

We need the handles stitched back on to our school parachute. If anyone could help with this, please speak to Mrs Wells. Thank you.
