School photographs will be taken. The photographs will be taken outside and therefore weather dependent. This is our one and only day and therefore we hope the weather will be kind.

Individual and family photographs of children within the school will be taken. We will also be taking class photographs.

School uniform should be worn. Shirt and school tie can be worn, but as we are aware that some people do not have these items, children may wear their white t-shirt, school sweatshirt, trousers/skirt and school shoes. P7 should wear their normal school sweatshirt on this day (no hoodies please.)

Should you wish, school ties are available from the office at a cost of £5.00.

Arrangements for purchasing the photos will be through the photographer only and information will be sent out at a later date.

Just to make you aware, we are hoping to change the time of year when we take the 2024/2025 school year photographs. We plan to book a date in October 2024.
